Hello! I'm Claudia.

I've always been the new kid. I was born in Madrid to a Romanian family. In my current chapter, [I'm figuring out life in Dublin](#). Moving a lot has taught me to read a room fast and value building something worth staying for.

I grew up on the internet. Club Penguin, YouTube, Tumblr; that's where I developed my creative eye. [2000s nostalgia](#) drives a lot of my design choices.

I studied in Videogame Design and Development. I spent four years thinking about [immersion](#), [interaction](#), [engagement](#), and having fun. I care about the small details nobody notices until they're missing.

If this sounds like someone worth grabbing a coffee with, my [email](#) / [LinkedIn](#) are right there!
